

### Happy Ending (Zajkowski)

Happy ending is nice, let's do it twice  
Happy ending is grand, where will we land

Happy ending is great, let's stay up late  
Happy ending is right, we'll play all night

Happy ending just by the thought of you  
Glad I just had a shot at you  
Just had a thought of you

Happy ending is love, what I'm thinking of  
Happy ending's OK, we'll play all day

Happy ending is nice, let's do it twice  
Happy ending is grand, where will we land

Happy ending is good  
Happy ending is good  
Happy ending is love  
Happy ending's all good  
Happy ending's OK
